

Dear Dr. Green:

I'm surprised if you've ever been closer to winning the Grand Prize than you are at this very moment.

If you're like most people, you are probably wondering who would prefer to win \$2,000,000.00 over \$5,000,000.00. Well the answer is very simple:

If you are the winner, you could receive \$2,000,000.00 PAYABLE IMMEDIATELY or \$5,000,000.00 in 30 annual installments of \$167,000.00. It's your choice.

Do you want to become an Instant Millionaire or achieve financial security for 30 years? (over, please)

Ancestral File (TM) - ver H410
